

Wedding Flowers

This drink uses *actual* flowers so if you want to be extra or you have a foodie friend who you want to impress, this is the one you want to make.

Lavender Syrup

Mix a handfull of lavender buds with a 1:1 mixture of sugar and water. Bring to a boil. Stir until dissolved. Steep for 30 min. Strain. Let cool. Store-bought is fine.

2 cups
coconut water

1 cups
lemon juice

1 cap
Liquid Gummies

lavender syrup
to taste

lavender buds

lemon slices

1. Mix coconut water, lemon juice, Liquid Gummies, and lavender syrup in a small pitcher; stir.
2. Serve over ice.
3. Garnish with lavender and lemon if you're into that.
4. Enjoy!
